

Program Offer: The Program covers products purchased and/or services rendered **on or after January 1, 2003.**

Program Requirements:

1. Must replace or install entire fixture with appropriate ballast (no lamp or bulb replacements).
2. Security lighting must be on from dusk to dawn (automatic eye).
3. Lights cannot be wired to a motion sensor or manual switch.
4. Mountings: wood or steel poles, side of buildings or yard post.
5. If equipment is part of a Cooperative lease Program, member must sign-up for a minimum of one year (or more).
6. Proof of purchase must be provided to the Cooperative.
7. Pre-approval is necessary for single Member requests of over \$500 or 25 units.
8. The lighting equipment load must be served by the Cooperative providing the incentive.
9. CFL's less than 58 Watts will only qualify for incentives shown in Indoor Lighting Program.
10. Outdoor CFL lights must have cold start ballast rated down to -20 deg. F.

Note: The Cooperative may customize incentive payments for large projects with energy efficient lighting not covered in the Program incentive schedule.

Agricultural Requirements:

For livestock buildings: HID lights (metal halide and high pressure sodium) used in agricultural buildings for extended daylight applications are acceptable when an *approved* timer for dusk to dawn operation is used.

Warranty Information:

Your Cooperative makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. The Cooperative does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this Program.

Limitation of Liability:

Participating Members agree that the Cooperative's liability, in connection with this Program, is limited to paying the Program incentive specified (when all Terms and Conditions have been satisfied by the Member). Under no circumstances shall the Cooperative be liable for any consequential or incidental damages resulting from participation in this Program. The Cooperative will not be responsible for any tax liability that may be imposed on the participating Member as a result of the payment of Program incentives.

Participating Member's Certification:

Participating Member certifies that he/she purchased and installed the equipment listed in their application at their defined location served by the Cooperative. Participating Member agrees that all information is true and that he/she has conformed to all of the Program and equipment requirements listed in the application.

Program Changes/Termination:

While this incentive Program will be in effect for an indefinite period, the Cooperative reserve the right to extend, modify (this includes incentive levels) or terminate this Program without prior or further notice. Typically a 60 day will be made in the event that any Program is terminated.

Other Program Rules:

The Cooperative reserves the right to inspect installations before issuing the incentive. If the application does not comply with the Cooperative's rules and qualifications, the incentive amount may be adjusted.

Members must apply for incentives within one year of the purchase date (as shown on the Member's invoice). Past eligibility, however, does not guarantee that equipment will meet criteria for current Programs in effect.
